

Cold As You - -country

G Emi C D
You have a way of coming easily to me
G Emi C D
and when you take you take the very best of me
Emi C
so I start a fight cause I need to feel something
 G D
And you do what you want, cause I'm not what you wanted

G Emi C D
Oh what a shame, what a rainy ending given to a perfect day
G Emi C D
Just walk away 'aint no use defending words that you will never say
Emi C
And now that I'm sitting here thinking it through
 G D
I've never been anywhere, Cold as you

G Emi C D
You put up walls and paint them all a shade of grey
G Emi C D
and I stood there loving you and wished them all away
Emi C
And you come away, with a great little story
 G D
Of a mess of a dreamer, with the nerve to adore you

G Emi C D
Oh what a shame, what a rainy ending given to a perfect day
G Emi C D
Just walk away 'aint no use defending words that you will never say
Emi C
And now that I'm sitting here thinking it through
 G D
I've never been anywhere, Cold as you

Emi C G D
You never did give a damn thing honey but I cried, cried for you
 Emi C G D
And I know you wouldn't have told nobody if I died, died for you
 G
Died for you

G Emi C D
Oh what a shame what a rainy ending given to a perfect day
G Emi C D
Every smile you fake is so condescending counting all the scars you've made
Emi C
And now that I'm sitting here thinking it through
 G D
I've never been any where, Cold As You
