## Shallow - - Filmové melodie

```
Emi
     D
Tell me something, girl
Are you happy in this modern world
Or do you need more?
Is there something else you're searching for?
Emi D G
I'm falling
In all the good times
                      G D
      D
I find myself longing, for change
And in the bad times I fear myself
(G E D G)
Tell me something boy
Aren't you tired trying fill that void?
Or do you need more?
Ain't it hard keeping it so hardcore?
Emi D G

          D
                   Emi
I'll never meet the ground
Crash through the surface
Where they can't hurt us
We're for from the shallow now
In the shallow, shallow
               Emi
In the shallow, shallow
In the shallow, shallow
                           Emi
We're far from the shallow now
(Hmi D A Emi Hmi D A)
